

GDC Birthday Parties!

Our birthday parties are 1 1/2 hours for ages 4+. We spend the majority of the time dancing, and save a little time at the end of the party for cupcakes and presents. The birthday child gets to put their handprint on our hallway wall! The cost for the party is \$200, and you may have up to 18 guests, including the birthday child. Parents of the birthday child provide: 2 table cloths, paper plates/napkins, juice boxes/water (one week prior to the party). Parents bring goody bags and cupcakes the day of the party. We take care of the rest! You do not have to be a current GDC dancer to have your birthday party at the studio. :)

Email our Director, Shari Boyaji, for more information
and to book your birthday party:
