Registration

New Student Registration will be held in person at our studios at 50 Main Street on the Glastonbury/East Hartford line. New student registration nights: August 7, 20, 28 and Sept 4 from 6-8 pm.

General Information

GDC is able to accept a limited number of students for each class and reserves the right to refuse applications for any class that has reached capacity or to cancel a course due to insufficient registration. GDC has the right to use substitute teachers as necessary. GDC will not be held responsible for lost or stolen property. No smoking, gum chewing, food or drinks are allowed in the studios. No street shoes are to be worn on the dance floors. No running in our lobby or climbing on chairs/benches. Treat our studio like it is your second home :)

Snow Cancellations

In the case of inclement weather, please check our Facebook page. Every effort will be made to email our clients in the event of studio closings. Most often, GDC will be closed if Glastonbury Public Schools are closed, but it is possible that we will be open even if schools are closed. Every class at GDC meets the same number of times throughout the dance year. Snow days are built into our schedule. If we exceed the built in snow days, we will schedule make up classes as needed.

Attendance Policy

Attendance at our spring dress rehearsal is mandatory except for extreme illness or family emergencies. Conflicts such as class trips, sports games and lessons are not considered extreme circumstances.

Teams

GDC Teams abide by the "GDC Team Rules" and have strict attendance policies. Teams do not need costume payments for technique classes as we work strictly on technique, and there is no dance in the recital. All competition team dances will be performed in the recital. Team shoe selections will be announced by December. Team Auditions are customarily held in the spring each year, and team lists are typically announced in June. Do not buy new shoes for team until shoe selection is announced.
